FIRST TRAIN RIDE — Many young pupils of the Free Church Co-Operative Pre-School took their first train ride Tuesday morning, travelling to Haverhill. Gathered with their teacher, Mrs. Thayer Warshaw and accompanying mothers, are Michael O'Donnell, Beth Wilson, Michael Gearin, Scott Leigh, Cathy Hamilton, Debbie St. Clair, Meaghan Ferris, Marty Dye, David Pease, Wayne Churchill, Lynelle Foster, Sheryl Foster, Marcy Coombs, Beth Viehmann and Nancy Thompson.

March Outlines Plans For Car Registration

LAST REGISTRATION DAY TOMORROW IN TOWN HALL

Tomorrow is the final day for registrations, prior to the Nov. 8 election.

The registrars will be in session in the town hall until 10 p.m. tomorrow, to handle the many men and women who wish to register.

A plan to register automobiles used by high school students in going to and from school has been announced by Headmaster Lindsay J. March.

The plan provides an opportunity for parents and the school to cooperate in meeting the responsibilities of safety and conduct according to Mr. March.

The full text of his announcement, explaining the program, follows:

"The registrar of Motor Vehicles, Clement A. Riley, has sent a special communication to the School Departments of Massachusetts, informing them of the alarming number of serious automobile accidents in which persons of high-school age are involved. He considers the situation

Taking Next Step On Brook Job

A meeting may be held later this week, or the first of next week, to iron out engineering details on Rogers Brook.

If this is accomplished, the next step will be submitting specifications for bidding on the reconstruction project.

Camp, Dresser and McKee have made some suggestions for changes in the plans, after themselves conferring with the state and its consulting engineers.

Unidentified Photos

Many interested readers of the Andover Townsman have promptly furnished the identification of the old photographs appearing in last week's issue.

The young man pictured on page 14 of that issue, with Allen Pettee, was Thaxter Eaton. In later years he was treasurer of the town.

The second photograph in last week's issue, of "Mama and Louisa", is of Mrs. George T. Eaton and her daughter, Louisa.

Women Voters To Seek Support

The League of Women Voters will request financial support from the community in a one-day drive this year, according to the Finance chairman, Mrs. Charles St. Clair.

Membership dues in the organization are kept low so that no one interested will be unable to join. Consequently the League needs outside help to meet the budget for all its activities. As the League is a public service, non-partisan organization, with its aim to promote understanding of political issues and help get out an informed vote, its members feel no hesitation in asking the public for financial help, Mrs. St. Clair said.

The Finance workers will meet Oct. 13 at the home of Mrs. St.

High School Will Be Evaluated

The Andover High School faculty has, for the past year, been making a study of its educational program preparatory to its evaluation by a visiting committee of educators from outside of the local school system. This evaluation program is required once in 10 years of all member schools in the New

Workshop Will Present "Mr Popper's Penguins"

The magical world of make-believe will be brought to Andover with the help of several ardent young Thespians, who have been cast for the whimsical comedy "Mr. Popper's Penguins", to be presented by the Children's Theatre Workshop Dec. 9 and 10 at the Junior High School in Andover, and Dec. 17 in the No. Andover High School.

The cast includes "Mr. Popper", Brian Miller; "Mrs. Popper", Phoebe Miner; "Bill Popper",

Johnathan Stulgis; "Jane Popper", Carole Drake; "Roberta", Donna Downs; "Oscar", Jimmie Barchilder.

Also appearing in the huge cast: Mike Gregorian, Billy Joliffe, Ricky Pieters, Jeff Poore, Harriet Kearney, Gardner Kellog, Debbie Dearborn and Judy Freedman. Added to all this will be 22 delightful penguins, big and small.

Youngsters are now faithfully rehearsing every Monday, Wednesday, and Friday, under the able direction of Mrs. William Edwards.

In keeping with the purpose of the Workshop, that of not only providing the young people of the

Margaret Williamson, Elizabeth Ratynski Are Semifinalists

Principal Lindsey J. March of Andover High School has announced that two of the school's students have been named semifinalists in

the 1980-81 National Merit Scholarship competition. They are Margaret Williamson and Elizabeth M. Ratynski.

These semifinalists are among the 10,000 high scoring students on the National Merit Scholarship Qualifying Test, a test of educational development given in more than 13,000 high schools last spring. The semifinalist group is composed of the highest scoring

students in each state and in United States territories.

Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice.

John M. Straker, president of the National Merit Scholarship Corporation, which conducts the annual program, stated that "Merit Semifinalists represent the most promising brains in the nation. From this group of able, creative students will come the scholars and intellectual leaders of tomorrow."

Mr. Straker warned against comparing schools on the basis of the number of Semifinalists in each.

"The awards are given to students," he emphasized.

"Several factors combine to make a winner. While good schooling is one such factor, it is not the only one. Parents, friends, and the community all play an important part."

"Comparing schools on the single yardstick of the number of semifinalists in each school can lead to unfair and unwarranted conclusions."

"The development of talent is a complex matter. Regardless of how talent is produced, we must recognize it and encourage its further development."

The semifinalists will take another rigorous examination, the three-hour Scholastic Aptitude Test of the College Entrance Examination Board, to be given in testing centers throughout the nation Dec. 5.

Students whose scores on the second test substantiate their performance on the qualifying test and who are endorsed by their high schools will become finalists in the competition. In past years, more than 95 per cent of the semifinalists have become

finalists. As finalists, the students will be eligible for scholarship awards sponsored by 115 business and industrial organizations, professional societies, foundations, individuals, and the National Merit Scholarship Corporation itself.

In the final phase of the competition, the high school grades, extra-curricular activities, school citizenship, and leadership qualities of the students will be evaluated along with their scores on the tests.

About May 1, 1981, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program.

Investigate Pit At Foster's Pond

Investigation of a gravel pit, operating without a permit off Foster's Pond rd., will continue this week, after discussion by the Board of Selectmen.

Selectman Russell Doyle brought the matter to a head, when he told the Board he had been called to the area by a resident, who is complaining about the condition of the pit.

Members of the Board recalled that the street - privately owned - had been moved during the course of the pit operation. This met with all the residents' approval, they remembered, because the street was very close to many of the houses.

There had been some recollection that the gravel in the area was to be used only for this purpose, but it was also brought out that some has been sold.

Building Inspector Ernest N. Hall said his father, Edward P. Hall, when serving on the Board, remembers allowing the pit to continue because all the residents of the private way had agreed on the change in the road.

However, it was pointed out Monday night that such a change now leaves some property owners holding rights of way across new laws belonging to other residents, as a result of the change in location.

It was also suggested that the pit location itself is in need of attention.

Manager Duff and Mr. Hall were directed to continue their investigation into the problem.

Appeals Board Has Approved New Club

The Board of Appeals has given approval to the Indian Ridge Country Club, but has insisted that an area should be set aside for parking near the Arzulla rd. entrance, near the clubhouse. This will help alleviate the traffic problems for Lovejoy rd., the decision explains. The document explains, however, that the entrance from Lovejoy rd. is the only feasible and will bear the brunt of traffic.

In its decision, the Board also insisted that the club acquire a portion of the 202 acres does not already own, "within a reasonable time". Finding that the club "does adversely affect the neighborhood", the Board took note of the fact that the town meeting approved the change in zoning to create the country club use in a residential

area. The Board also noted that the club "does adversely affect the neighborhood", the Board took note of the fact that the town meeting approved the change in zoning to create the country club use in a residential

Pattullo Highest In Police Exam

Unofficial reports on the result of the examination for promotion to sergeant in the police department place Officer Hector G. Pattullo at the top of the list, with a mark of 90.50.

Second on the unofficial list is Calvin C. Deyermund, 87.03; and the third officer is Duncan Cairnie, 86.74. Next in rank comes William F. Tammany, 84.10; and fifth is Jacob J. Jacobson, 70.74.

The list must be certified by the Civil Service Commission, and the town must request that body to send a list of names of those eligible for the promotion. There is a waiting period, during which the officers can request an appeal on the marks.

The vacancy results from the retirement of Sgt. William R. Hickey.

It is expected that a permanent officer will be appointed to fill the vacancy created when the promotion is made, and that a second appointment as permanent officer will be made to replace officer George A. Porter, whose leave of absence expired recently.

The men currently on reserve officer status include Arthur Manock, Donald Howard and Harold Priestly.

Many Showers For Miss Stewart

The many friends of Miss Marjorie Stewart of High Plain rd. have tendered her several showers during the past week.

Recently, Miss Stewart was given a miscellaneous shower in Ashburnham, by relatives and friends of the bridegroom-to-be, Wayne Newton of Westminster. Last Wednesday evening, a personal

shower was given her by Miss Gail Marland of George st., with Miss June Compardy of Norwood as co-hostess. Last Thursday evening, a miscellaneous shower was given at the home of Mrs. Clayton Northey on Rocky Hill rd. The hostesses for the latter shower, besides Mrs. Northey, were Mrs. Halbut Dow and Mrs. Philip Pray. The wedding will take place in the West Congregational Church Saturday, Oct. 15, at 4 o'clock.

Attended Meeting Of Service Group

Rev. Ernest A. Brown Jr. of North Andover attended a supper and meeting of Unitarian Service Committee chairmen and ministers from North Shore churches Sept. 25, at the home of Mrs. Charles T. Main 2nd, in Winchester.

The Unitarian Service Committee's work in helping to set up Cambodia's first Teacher Training Center was described by Miss Helen Fogg, director of USC's overseas projects. She said that the school, which is now in its third year, will send teachers out to all parts of Cambodia equipped with modernized teaching methods and also new standards of health, cleanliness and diet.

Miss Fogg also spoke of the Unitarian Service Committee's part in establishing a department of social work at Seoul National University in Korea and in continuing valuable seminars with members of the social work profession in Germany. These are examples of the way the Unitarian Service Committee has been serving since 1940 as an instrument for helping people to help themselves, regardless of race, creed or color.

Mr. Brown has worked actively in support of the Unitarian Service Committee for several years. He is the pastor of the North Parish Unitarian Church.

MISSIONARY COMMITTEE PLANNED FOR YEAR

It's thrifty to save
S&H GREEN STAMPS

... and lots of fun too!

Saving for the things you want can be lots of fun, when saving doesn't demand any sacrifice or cut-backs in your budget.

That's why the S&H Green Stamp saving plan is so popular today with 25 million families in this and other States.

Saving S&H Green Stamps doesn't require giving up something else. They're extras that you get when you shop at stores that give them. Actually, they're discounts on your purchases — the same kind that manufacturers and merchants receive.

With your filled books of S&H Green Stamps, you can get at no added cost any of 1,500 items of distinguished merchandise — the finest made in America. You'll find them at your nearest S&H Green Stamp Redemption Center. Or order them by mail from the beautiful S&H catalog, if there's no center nearer you than 20 miles away.

Appeals Board Has Approved New Club

The Board of Appeals has given approval to the Indian Ridge Entry Club, but has insisted that it be given the specific building plans when these are available.

In allowing the club to operate in West Andover, the Board specified that an area should be set aside for parking near the Argilla rd. entrance, near the clubhouse. This will help alleviate some of the traffic problems formerly for Lovejoy rd., the decision explains. The document explains, however, that the entrance from Lovejoy rd. is the only feasible and will bear the brunt of traffic.

In its decision, the Board also insisted that the club acquire a portion of the 202 acres does not already own, "within a reasonable time".

In finding that the club "does adversely affect the neighborhood", the Board took note of the fact that the town meeting approved zoning to create the entry club use in a residential

Pattullo Highest In Police Exam

Unofficial reports on the result of the examination for promotion to sergeant in the police department place Officer Hector G. Pattullo at the top of the list, with a mark of 90.50.

Second on the unofficial list is Calvin C. Deyermund, 87.03; and the third officer is Duncan Cairnie, 86.74. Next in rank comes William F. Tammany, 84.10; and fifth is Jacob J. Jacobson, 70.74.

The list must be certified by the Civil Service Commission, and the town must request that body to send a list of names of those eligible for the promotion. There is a waiting period, during which the officers can request an appeal on the marks.

The vacancy results from the retirement of Sgt. William R. Hickey.

It is expected that a permanent officer will be appointed to fill the vacancy created when the promotion is made, and that a second appointment as permanent officer will be made to replace officer George A. Porter, whose leave of absence expired recently.

The men currently on reserve officer status include Arthur Manock, Donald Howard and Harold Priestly.

Many Showers For Miss Stewart

The many friends of Miss Marjorie Stewart of High Plain rd. have tendered her several showers during the past week.

Recently, Miss Stewart was given a miscellaneous shower in Ashburnham, by relatives and friends of the bridegroom-to-be, Wayne Newton of Westminster. Last Wednesday evening, a personal

shower was given her by Miss Gail Marland of George st., with Miss June Compard of Norwood as co-hostess. Last Thursday evening, a miscellaneous shower was given at the home of Mrs. Clayton Northey on Rocky Hill rd. The hostesses for the latter shower, besides Mrs. Northey, were Mrs. Halbut Dow and Mrs. Philip Pray. The wedding will take place in the West Congregational Church Saturday, Oct. 15, at 4 o'clock.

Attended Meeting Of Service Group

Rev. Ernest A. Brown Jr. of North Andover attended a supper and meeting of Unitarian Service Committee chairmen and ministers from North Shore churches Sept. 25, at the home of Mrs. Charles T. Main 2nd, in Winchester.

The Unitarian Service Committee's work in helping to set up Cambodia's first Teacher Training Center was described by Miss Helen Fogg, director of USC's overseas projects. She said that the school, which is now in its third year, will send teachers out to all parts of Cambodia equipped with modernized teaching methods and also new standards of health, cleanliness and diet.

Miss Fogg also spoke of the Unitarian Service Committee's part in establishing a department of social work at Seoul National University in Korea and in continuing valuable seminars with members of the social work profession in Germany. These are examples of the way the Unitarian Service Committee has been serving since 1940 as an instrument for helping people to help themselves, regardless of race, creed or color.

Mr. Brown has worked actively in support of the Unitarian Service Committee for several years. He is the pastor of the North Parish Unitarian Church.

MISSIONARY COMMITTEE PLANNED FOR YEAR

The Missionary Committee of the Ballard Vale United Church met at the home of Mrs. Robert Mitchell, 12 Tewksbury st., when plans for the coming year were outlined.

Members attending were Mrs. P. W. Moody, Mrs. George Davison, Mrs. Richard Sherry, Mrs. Herbert Peterson, Mrs. James Letters, Mrs. Robert Demers, Mrs. Robert Mitchell and the Rev. Haldean Lindsey.

D.A.R. Meeting Next Tuesday

Priscilla Abbot Chapter, N.S.-D.A.R., will open its fall season Oct. 11, with a meeting at the home of the vice regent, Mrs. Edward H. Thompson, 52 Chandler cir.

John Lovering of Topsfield will be the guest speaker, on the topic "Operation Survival".

Hostesses for the afternoon meeting will be Mrs. Arthur Bonner, Mrs. Jesse Bottomley and Mrs. George Williams.

Residents Happy Over Road Job

Lovejoy rd. residents, specially those living near Dascomb rd., were delighted this week to see town equipment move in and start reconstruction work.

The road has been in a mess for about a year.

Even as the town started to grade the road and prepare it for surfacing, the Realty Construction Co. began its promised installation of catch basins, which will serve part of the planned sub-division.

Town Manager Thomas E. Duff said the town will prepare the road for surfacing, that Realty Construction will have the first coat applied, and the town will apply the sealer coat.

The work will be completed as quickly as possible, he noted.

Blue Devils To Meet Marblehead Saturday

"We only sent four game jerseys to the laundry".

That's Dick Collins' terse comment on last Saturday's football game, in which Andover lost to Danvers, 23-6.

JACK CLARKE

Lest anyone miss the significance of the comment, it appears that of the 19 men used in the game, only four had played hard enough to get their jerseys dirty enough for the laundry.

Collins singled out Jack Clarke, hard-running fullback, for special praise.

BILL DALTON

And he also complimented Bill Dalton for his fine work at tackle, until he banged up his shoulder again.

Andover meets a strong Marblehead eleven Saturday at 2 p.m. in that town.

Assessing local chances against the team that has beaten both Amesbury and Salem, Collins asserted:

"There isn't a team in the conference that we can't beat, if we stop making mistakes and really play football."

APPROVED MERGER OF CHURCH GROUPS

The Free Church became the first Congregational Church in the area to approve the merger of the Evangelical and Reformed Churches with the Congregational Churches.

The new denomination will be known as the United Church of Christ. All Congregational churches will vote on the merger in coming months.

Harvest Supper At The United Church

Saturday, Oct. 22, the Ballard Vale United Church Guild will hold a harvest supper in the Church Vestry.

There will be two sittings, one at 5:30 and one at 6:30 p.m. The menu will consist of baked ham, mashed potatoes, squash, peas, carrots, beets, Italian bread, apple pie and cheese and coffee. Tickets are available from any of the following members of the Ways and Means Committee: Mrs. Neal Mitton, Mrs. Alfred Webb, Mrs. Ernest Hall, Mrs. William Smeltzer, Mrs. William Marruzzi, Mrs. Frank Froburg, Mrs. William Bat-chelder and Mrs. Robert Mears.

Friendly Guild Will Meet Next Monday

The Friendly Guild of Christ Church will hear reports from the Briarwood delegates during the next meeting, Oct. 10, in the Parish House.

A short business meeting will be held, with the meeting getting underway at 8 p.m.

Chairman of the refreshment committee is Mrs. Lowell Andersen, assisted by Mrs. Alexander Anderson, Mrs. David Anderson, Mrs. Peter Anderson and Mrs. Higus Asofan.

Franklin Named Renewal Director

James W. Franklin of Wakefield will assume his duties as director of the local Urban Renewal project soon, following his appointment Monday noontime by the Housing Authority.

Franklin has been working as director of the Wilmington project for the past two years.

He is a graduate of Michigan State University and has taken additional courses at the University of Chicago and University of Ohio. He has considerable experience in consulting work in the urban planning field.

Duff Urges Wise Use Of Leaves

At this time of year it is always the hope of conservationists that people will use their leaves in a compost heap rather than burning them. In a recent statement, Town Manager Thomas E. Duff said that the town has a big job collecting leaves and often the citizens decide to deposit their leaves on the street after the town has collected the many piles.

He recommends that leaves be used in a compost if they will not be a nuisance to anyone. He also stated that should anyone need a large amount of leaves for fill, the Town would deposit its truckloads at a citizen's request.

Dear friends,

Do you know that the funeral director is under heavy penalty if he fails to conform with certain state regulations? We have always been glad to cooperate with the authorities in these matters because we realize the importance of their demands.

Each death is reported on a standard form. This information is used statistically, to indicate the development and control of disease. The welfare of the public is thus served.

Obituary...

THOMAS E. MEYERS

Funeral services will be held Saturday for Thomas E. Meyers, 38, 17 Rennie dr., who died in the crash of the Eastern Airlines plane in Boston Harbor Monday night.

Mr. Meyers was born in Chicago and had resided here for one year. He was director of contract administration for the Craig Systems Inc.

He attended St. Augustine's Church and was a member of the Holy Name Society. A veteran of overseas service in World War II, he was a captain with the Eighth Air Force, 398th Bombardment Group.

He is survived by his wife, Elaine (Kohl) Meyers; his mother, Mrs. Edward Meyers of Chicago; a daughter, Kimberly, of Andover; five sons, Thomas, Michael, Gary, Timothy and James, all of Andover; one brother, Albert J. Meyers of Oak Park, Ill.; and two sisters, Mrs. Clara Meyers of Denver, Col. and Frances, wife of Russell Mortell of Evanston, Ill.

The funeral will be held Saturday morning from the Lundgren Funeral Home, with a solemn high Mass in St. Augustine's Church at 9 a.m. Burial will be in St. Augustine's Cemetery.

Friends may call at the funeral home today from 7-9 and Friday from 2-4 and 7-9.

MARCH OUTLINES REGISTRATION PLAN

(Continued from Page One)

serious enough to recommend that pupils be forbidden to drive cars to school, a policy already in effect in some communities, and which others are adopting this year.

"In spite of the fact that Andover provides more transportation than the law requires, it is recognized that some parents have sound reasons for wishing their children to drive to school instead of coming on a school bus. It is also recognized that a large number of students have been taught to drive safely under the program of Driver Education, and they are doing so.

"For these reasons the Andover School Department does not feel that it is necessary to forbid the use of cars by pupils, but on the other hand, the lives of young people in Andover are as precious and their welfare as important as are the lives and welfare of the youth in the communities in which drastic action has been taken. The warning by Registrar Riley cannot be entirely ignored.

"In an effort to preserve the driving privilege to deserving students, and yet to recognize the warning of danger, a program for the registration of automobiles used by pupils has been devised. In this plan the school wishes to co-operate with the parents in meeting the responsibilities they share with the school for the conduct and safety of pupils going to and from school. A parent is requested to file a form on which he registers his wish for his child to drive to school and his desire to co-operate with the school in this safety program.

"A simple code of regulations for safety and welfare has been prepared to which pupils will be expected to conform. An attractive Andover High sticker will be provided which the school reserves the right to revoke upon any violation of the code.

"The Andover Police Department has approved of the program and promises full co-operation in this effort to protect the safety of

"The code of safe driving at Andover High School is as follows:

"To drive at all times in accordance with the regulations of the Massachusetts Registry of Motor Vehicles.

"Special attention is called to the provisions of the law governing the passing of school buses when they are being loaded or unloaded; namely, stop and pass at fifteen miles per hour.

"To leave cars in the parking lot upon arrival, not going to them during the day without first securing permission from one of the assistant principals or the principal.

"To be responsible for the safety and good conduct of any passengers who may ride to or from school, so that no criticism will be reflected upon the school."

WOMEN VOTERS SEEK ASSISTANCE

(Continued from Page One)

Clair and will call on interested citizens of Andover and North Andover Oct. 18.

Mrs. St. Clair reminds Andover residents of the helpful candidates information sheets distributed to every house in Andover before national, state and local elections. If the League had more money, this service could be undertaken before primary elections as well. The League's interest in recreation in Andover brought about the successful open meeting on re-

creation last year, with the subsequent forming of a Community Recreation Council. This year, a house to house information poll will be conducted by the League. The questions to be asked are being now decided by town boards. This expression of the desires and needs of the townspeople should be very valuable for future plans in all departments; zoning, school location, library facilities, shopping centers, etc.

A League budget approved at the annual meeting in May, 1960, is available to anyone. Membership is open to everyone. The League is even allowed in its by-laws to have non-voting male members.

NEXT STEP IN BROOK PROJECT

(Continued from Page One)

These changes are now under study by the Selectmen and responsible town officials.

Town Manager Thomas E. Duff said the town's consultants talked these over with the state first. He promised to try to arrange a meeting just as quickly as possible, so that the job can be put out to bid.

UNDER ADVISEMENT

The Selectmen have taken under advisement a request of the J. J. Cronin Co. to renew the gravel pit permit for the pit at River st.

The public hearing was held Monday night, with no objections voiced. Some of the Selectmen questioned various sections of the operation, as to grading and surfacing finished portions.

Rev. R.P. Carter Cited For Ministry

The Rev. Richard P. Carter received a citation from the Chief of Staff of the U. S. Air Force at the 11 o'clock service of Worship last Sunday in the First Church of Christ Congregational in Suffield, Conn.

Mr. Carter was former pastor of the Church and he conducted Protestant preaching missions in

October and November of 1959 for Air Force personnel and their families assigned to installations in France and Germany. Lt. Col. John F. Smeltzer, Division Chaplain, U.S.A.F. at Westover Air Force Base represented the Air Force and assisted the Rev. J. Gorman Smith, pastor of the Church, during the service.

The testimonial recognizes the spiritual and moral leadership rendered to the U. S. Air Force personnel. Mr. Carter is well-known in Andover, being a brother of Mrs. Karl Haartz of High Plain rd.

Mrs. Winona Newell and Winthrop Boutwell, former residents of West Parish, left recently for their winter home in Deland, Fla.

Doyle Suggested Permanent Repairs

Selectmen Russell G. Doyle has urged the Selectmen and town manager to do something permanent about streets where drainage problems result in chronic ice conditions every winter.

He specifically mentioned both Gleason st. and North st.

Doyle expressed the belief that money could be saved if some permanent work is done, instead of constantly sending equipment to the bad areas throughout the winter.

Town Manager Thomas E. Duff pointed out that the town can't spend any money on major work on unaccepted streets — and both of the ones mentioned by Doyle are unaccepted, he stated. However, he plans to have ditches dug to see if most of the surface water can be taken off the road surface where it freezes.

Duff also explained that town meeting could authorize expenditure of funds on specific unaccepted streets — and if this is done next March, he suggested, permanent improvements can be made.

Mr. Doyle also suggested that the town consider surfacing Ledge rd., near the dump, because it has to be graded so often under present conditions. The same problem of spending money on unaccepted

streets comes up in this case too. Duff said he knows of several other streets where the residents would immediately ask for similar assistance, if the Ledge rd. job is done.

Mr. Doyle commented that he could see an opportunity for the town to save money by doing the work on a permanent basis.

Curran Estate Sold

To Manor Corp.

The Curran estate on North Main st. probably will be used for apartments, according to its new owner, Dr. George J. Colantino.

He agreed that this would be the most probable use of the estate, which includes a 28-room house, barn and stables. There are some 16 1/2 acres of land, and a right of way, in the estate.

Purchase price was \$52,500.

Listed in the records as purchaser of the property, under the firm name of Shawsheen Manor Inc., is Dr. George J. Colantino, president-treasurer of the Manor and both he and Edith E. Colantino individually.

The estate of the late millionaire Maurice J. Curran was sold by Margaret M. Curran executrix under his will. The following heirs signed the deed for the purpose of consenting to its release and sale:

Margaret M. Curran, Andover and Joseph F. Curran, Brookline, surviving children; Daniel J. Murphy Jr., North Andover, Edwin C. Murphy, North Andover and Marie Elizabeth Nelson, Lawrence, sons and daughters of Mary T. Murphy, deceased daughter of Mr. Curran; Abigail F. McCoy, Andover, Joan Falvey Parker, Marblehead, Donald J. Falvey Jr.,

Andover, children of Lidvine C. Falvey, deceased daughter; Joyce M. Nunez, Trumbull, Conn., Annette L. Conlon, Warwick Neck, R. I., Maurice J. Curran 3rd, children of Maurice Curran Jr., deceased son.

2 Abbot Students Are Semi-finalists

Two Abbot Academy seniors have been named semifinalists in the 1960-'61 National Merit Scholarship Competition.

They are Dorothy M. Easton, daughter of Mr. and Mrs. Stewart F. Easton, 51 Andover st.; and Carol Ule, daughter of Mr. and Mrs. Guy M. Ule, 5 Loch Ln., Port Chester, N. Y.

These semifinalists are among the 10,000 high scoring students on the National Merit Scholarship Qualifying Test, a test of educational development given in more than 15,000 high schools last spring. The semifinalist group is composed of the highest scoring students in each state and in United States territories.

Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of her choice.

John M. Stalnaker, president of the National Merit Scholarship Corporation, which conducts the annual program, stated that "Merit semifinalists represent the most promising brains in the nation. From this group of able, attractive students, will come the scholars and intellectual leaders of tomorrow".

EXPERIENCE PROVES:

Most Existing Policies Do Not Give Adequate Coverage!

Everybody knows . . . everything costs more today!

Building costs are up . . . and that means that replacement costs are higher accordingly. It is further true that homes bought ten or 15 years ago are worth much more today than at the time of purchase. Yet, experience shows time and again that fire insurance coverage has not kept pace with these climbing values. In a majority of cases a fire loss would undo the gains a family has made in home investment and in too many cases wipe out all equity earned.

Today's fire-fighting service is second to none. Yet, there are still serious losses incurred despite all effort. Even total losses are reported in the news columns.

Your home, your investment deserves FULL protection . . . is just plain good business. Fire Prevention Week provides a good opportunity to review just where you stand in the matter of this protection. It may cost a little more . . . BUT IT IS MORE THAN WORTH IT! EDITORIAL THOUGHTS

The Fate Of Massachusetts

The revelations of the two investigating committees on Beacon Hill, while anticipated, are still enough to make most taxpayers livid with anger and disgust.

For it is obvious, from evidence introduced at these hearings on the MDC and DPW that there has been a shocking disregard for the taxpayers in this whole shameful mess.

The taxpayers are the ones who have been hurt most — because they pay the bills for the pure extravagance, the pork barrels of patronage and political pay-offs.

But one of the most amazing features of this whole mess is the complacency with which it appears to be accepted by many men and women, in all walks of life.

There is an attitude of "What can you expect? What can anyone do about it?"

It seems that residents of Massachusetts, battered by the shock waves from these, and similar, hearings over the years, are now resigned to their fate.

And what is this fate?

To those who take this off-hand approach, the fate is obvious.

It is living in a state that continues to have a reputation for investigations, wastefulness and patronage abuses. It is living in a state known throughout the country for its neglect of sensible government, where public scandals are often repeated because nothing is done to correct the abuses.

This is the fate that many men and women resign themselves, to so helpless do they feel in the face of the recurring problems that never are solved.

This is a gloomy picture, and with some justification.

Yet other men and women have not yet given up their hope that Massachusetts will some day be a state that is noted for its level-headed government.... government without scandal, without extreme waste. These people want a state government to be based on decency, sensible business administration.... a government of which they can be proud.

It has taken a long time for the calibre of state government to fall, and it may take a long time for it to be built up again. But this is the task facing all of us who call Massachusetts home.

Let's forget the gloom. Let's do something about our problems, which exist, in large part, because too many of us think we can do nothing about them. It's time that Massachusetts residents, all of them, started the uphill road towards sober, sensible government, based on sound moral principles.

Volunteers Deserve Praise

The public spirited men who are devoting much of their time to the Junior League (Pee Wee) Football League deserve the plaudits of the community.

This new endeavor is worthwhile, but of course could not succeed without the help of many volunteers, who spend much of their leisure coaching the youngsters.

Too often people grumble about the details of an operation such as this, without recognizing publicly the contribution made by the volunteers.

And this is true of all civic activities, which sometimes come in for more than their share of brickbats, and not much credit for the work of the volunteers.

We'd like to add our congratulations to those of others, in saying thanks to the men who are working in the football program — and to the hundreds of others in the community who serve in other activities designed for community betterment throughout the year.

Surveys Show Confusion

In the past week, we have read at least three different surveys, designed to show how the election would come out if it were held immediately.

None of the three agreed. One said Sen. Kennedy would win, the second said Vice President Nixon has the edge, and the third held to a middle ground, claiming neither man has yet developed strength enough to win.

Certainly poll-taking has its place in the modern political scene, and we do not disparage them, or the people who conduct them.

Yet we can't help but wonder just how three polls could come up with such different results. And obviously, after seeing this visual evidence of disagreement, we must also wonder whether anyone can draw a serious conclusion from them.

Some people may put more reliance on the polls they see

than is deserving, based on the three we noted within the week. The results of the poll a person sees can, we suppose, even have some influence on his vote — the old band-wagon appeal.

It would be well to maintain a sceptical attitude towards all of the polls, in our opinion, unless it can be determined that there is some agreement among them. Even then, history tells us that polls can be far from right.

Down the Years with The Townsman

50 Years Ago — October, 1910

A deer's head has been presented to the Memorial Hall Library by Mrs. Caroline A. Phelps. The deer was shot by a resident of Lawrence on Phillips Hill, then part of Andover, in the year 1760. The head later became the property of Mr. Phelps.

Almost ideal weather, an attractive program and a large, interested audience marked the dedication exercises of the new soldiers monument in Spring Grove Cemetery last Sunday afternoon.

The number of books borrowed from the Memorial Hall Library for home use during September was 2,597.

The kindergarten in the Ballardvale School has been abolished. A Townsman editorial this week comments that many citizens applaud the move, because they believe the kindergarten has become a nursery school. Others, the editorial continues, feel that this pre-school preparation is necessary and vital to the children. Everyone will be watching, during the next few years, to see whether the absence of the kindergarten has any effect on the pupils entering that school.

Quite a controversy is brewing everywhere over the old drinking cup. Here, we understand, some sort of bubbler has been tried and seems satisfactory. This may be sufficient but it certainly is a most awkward substitute for a cup of water.

25 Years Ago — October, 1935

The number of local unemployed workers in federal projects will reach a low point during the next few weeks, when the ERA will be working under a grant of about \$675 weekly. The grant for the same period a year ago was \$2,000.

Harold L. Peters, who has been acting commander of the Legion, was elected commander Tuesday night.

Claxton Monro Jr. of Chestnut st. has been named to the Dean's List at M.I.T.

Nearly 200 friends and railroad associates of Jay Dow Hussey of Hall ave. visited him Sunday to felicitate him on completing 50 years service to the Boston and Maine. He presently is Ballardvale and Lowell Junction agent.

Punchard came within one point of beating a strong Danvers eleven last Saturday. The score was 7-6.

Arthur Boutwell was elected temporary chairman of the reorganization committee of the Andover Taxpayers Association, at a meeting held Tuesday night. The entire slate of committee members, as carried on the postal-card ballots, was elected. Roy E. Hardy will serve as secretary; James E. Greeley, treasurer; Henry A. Bodwell, Fred H. Eaton, Edward P. Hall, Frank H. Hardy and Eldon E. Starke, members.

10 Years Ago — October, 1950

Plans for a new elementary school, of two-story type, in the center of town and a one-story building in the West Parish, have been revealed by the building committee. The total cost of these two schools, of 18 and six classrooms respectively, is \$1,200,000. The larger plant is expected to cost \$750,000 of the total amount.

The veterans housing project is presently occupied by 30 families. The remainder of the 56 units will be filled by the middle of the month.

The latest readings at Haggert's Pond pumping station show a water level 65.7 inches below high water mark. This is the lowest the pond has been for many years.

Automatic gates went into operation last week at the Andover st. crossing of the B & M Railroad. Ballardvale residents had fought the proposal through a hearing before the D.P.U., but the Railroad won the right to erect the gates.

Ernest S. Young has been re-elected chairman of the Red Cross Chapter.

Coming Events

OCTOBER

13 10 a.m. Ballardvale Littlest Listeners meet in branch library.

17 7:45 p.m. Andover Civil War Roundtable meets.

18 7:45 p.m. Great Books Discussion Group.

Library Hours

Main library open daily, Monday through Friday, 10 a.m. to 9 p.m. Saturday, 10 a.m. to 6 p.m. Children's room, Monday through Friday, 11:45 a.m. to 12:30 and 2 p.m. to 6 p.m. Saturday, 10 a.m. to 12 noon. Both rooms are closed Sundays and holidays.

Vale Littlest Listeners

Children three years old and over who are not ready for school and any kindergartener who is in the afternoon session may enter the Ballardvale Littlest Listener group if they live nearer that library than the main library in Andover. This group meets every other Thursday morning from 10 o'clock to 10:45 in the branch room for a story and music program similar to that of the Andover children's library.

No pre-registration is necessary for this smaller group, and mothers are invited to enter their children at the first meeting, Oct. 13. All programs for this age level are planned for a three quarter hour period, since the attention span for very small children is short.

Meyer Berger's New York

In his introduction to this book,

Brooks Atkinson says this of the man whose column in the Times is the source of this wonderfully human writing: "The reader will discover for himself how intimately Mike knew even the most obscure places and people that constitute a huge, heedless cosmopolis. The reader will also discover for himself the pithiness of the writing. But the reader may not discover for himself something that is obvious to Mike's friends: All the people interviewed and described have traits of Mike's character. They are modest, self-effacing and slightly wistful people with a romantic enjoyment of what they know or do. There is not a mean bone in any of them. Although he had a passion for objective writing, every line reflects his character."

This high praise for the columnist who wrote some of the finest stories the Times published won a Pulitzer prize in 1950. He could make a harrowing disaster a thing that demanded understanding and human recognition.

Before his death in 1959, Meyer Berger planned to publish a collection of his best articles.

Here is that collection, filled with thousands of anecdotes, unusual bits of information, facts little known of interest to all who love New York itself and others who love human beings.

"Meyer Berger's New York" may be out when asked for, but may be reserved at the Memorial Hall Library.

Other New Books

Among recent additions to the library are the following: The Passionate Sightseer, Berenson selections from a diary kept by Bernard Berenson over the years 1947-56; A Touch Of Innocence, Dunham — an account of the first eighteen years of life of the famous choreographer, dancer, anthropologist and an honest report of family life as she recalls it; Man's Need And God's Action, Howe — a thoughtful discussion of man's deepest needs, and the limitations of human beings to provide for them; The Practice Of Zen, Chang — a systematic introduction, analysis and explanation of Zen practice, written to correct many false presentations of this system of thought; Readings Chaos and Cure, Terman — author states "We are forty years behind the progress of 1916 and have ten times as much money in plants and equipment" as he discusses the reading problem that disturbs so many educators. She maintains that a "cure" is possible within a one year period; Party Fun, Mulac — an excellent handbook for those planning holiday gatherings, entertainments, banquets, arranged for varying age groups, with a number of party food recipes given; The Van Cliburn Legend, Chasins — a biography of our twenty-three year old Texan who went to Moscow in 1958 to win first prize of the Tchaikovsky Competition; Outlook For The Railroads, Tyler — an interesting compilation of articles on this current problem, here is an excellent aid for debaters, as it is one of the Reference Shelf series of debate handbooks.

Leaks Caused Wet Condition Of Road

Several leaks in water main joints on Dascomb rd. were to blame for the water coming to the surface of that street during the reconstruction now underway.

The appearance of water on the surface had been a worry to the contractor and to the town.

Town Manager Thomas E. Duff said the contractor has installed the drainage system properly, and the state engineers have approved the type of gravel being used.

Duff said the town will install a catch basin on Bannister rd., into which the Dascomb rd. drainage line has been extended. This will allow the road to be drained, and the town will put some gravel on the street, he stated.

Leominster Firm Gets Contract

Cannavino and Shea, contractors from Leominster, have been awarded the contract to build dikes at Haggett's Pond, on a bid of \$19,457.50.

The firm, second-low bidder, has stated that the work will be completed in 100 working days.

The low bidder, J. B. Sullivan Co. of Needham, at \$15,329.60, was not awarded the contract due to the comparatively low bid in relation to the engineering estimates.

Third-low bidder on this project, out of seven proposals submitted, was the L. C. Cyr Co. of Lawrence, at \$21,675.

Other bidders and their prices were Phil Rand Co., \$22,575; Sylvester A. Ray, \$26,963; Defina and Sons, \$28,285; and D. Federic Co., \$30,590.

Easement Decision

The problem of gaining easements to handle drainage water from the Wild Rose Farm development is back with the Selectmen again.

Developer Harry Axelrod reported Monday night that he has been able to get only one of the two easements needed to solve the drainage situation.

He said the easement across Lowell st. had been obtained. But he was unable to get an easement across Argilla rd., and said it appears that he will not be able to obtain this one.

The town already has an easement through the same land, but this is specifically for street water. Town counsel has ruled that water from the sub-division can not be handled through the drain, because it technically is not water from Argilla rd.

Mr. Axelrod, in discussing the situation, suggested that the town get the easement. He believes that the pipe already installed on the opposite side of Argilla rd. is big enough to handle the drainage from the development when the legal problem is solved.

He also offered to supply the pipe and other materials for cross-the-road installation of the drainage system, if the town will do the installation.

There had been considerable debate many months ago, when it was suggested to the developer that he install the drains across the two roads at his own expense.

The Selectmen and Town Manager Thomas E. Duff agreed to re-evaluate the condition, after hearing Axelrod's explanation. Duff commented that the drainage would not be a problem later, because eventually the town will have

to provide drainage along Argilla rd. But until this is done, he indicated, there would be a major difficulty.

Axelrod, speaking on the idea that the developer should pay the entire cost of off-site drainage, said he believes the town has some responsibility to the developer, just as the developer has to the town.

He said he doesn't feel that a developer should be required to do everything, but that there should be a spirit of cooperation.

Rummage Sale Is Oct. 19

The Lawrence General Hospital Hospitality Shop will hold its annual fall rummage sale Oct. 19 at Trinity Congregational Church in Lawrence.

Plans for this event and others during the next few months were discussed at a recent meeting at the Hospital. Mrs. Andrew B. Sutherland presided.

The rummage sale will offer a wide selection of items, and the proceeds will be used for the benefit of the Hospital.

Anyone having articles for the sale is asked to call the Hospitality Shop to arrange to have them picked up. Articles may also be left at the Church Oct. 18, from 11 a.m. to 7 p.m.

Plans are also being made for the annual greens sale, to be held Dec. 9 in Kurth Auditorium at the Hospital. Mrs. Joseph T. Gagne is chairman of this committee.

Members of the Hospitality Shop Committee include Mrs. Sutherland, as president of the Hospital Board of Trustees; Mrs. J. Rodney Ball, Mrs. John B. Edmonds, Mrs. Franklyn J. Emmett, Mrs. Gagne, Mrs. Charles B. Hodgen, Mrs. Harold W. Leitch, Mrs. William H. Searle, Mrs. Herbert H. Velt, Mrs. W. J. Schwarz, Mrs. Ralph H. Hill, Mrs. Walter E. Curtis, Mrs. Julius F. Emmert, Mrs. G. Warren Hamblet Jr., Mrs. Mitchell Kolsky, Mrs. Francis A. O'Reilly, Mrs. Thomas R. Sutton, Mrs. George B. Westhaver and Mrs. N. Stowers.

Pinecrest Road Now Accepted

Pinecrest rd. has been accepted by the Selectmen - acting under authority granted by a town meeting vote in March.

Town Manager Thomas E. Duff recommended acceptance, after warning the Board that there may be some money spent on the street in the future. However, he said it appears to be in proper condition now, and there is no way to tell whether drainage facilities will be equal to their task during the wet months or not.

The contractor, he said, has finished putting a coat of asphalt after putting more gravel on the street.

2 ENROLLED AT COLBY

Enrolling last week with the Class of 1964 at Colby College were Angus Barney Hollowell, 1 Hidden rd., and Miss Lois B. Lyman, 58 Chandler rd.

Engagement

MAUREEN SCANLON
(Charles)

Page - Scanlon

Mr. and Mrs. Timothy J. Scanlon, 95 Summer st., announce the engagement and coming marriage of their daughter, Maureen C. to Robert James Page, son of Mr. and Mrs. James B. Page of Detroit, Mich.

The couple will be united in marriage Oct. 8 at 11 o'clock in St. Augustine's Church. The reception will be held at the Colony room.

On return from a wedding trip to New York, Canada and Detroit, the couple will reside in Methuen.

The bride is a graduate of St. Mary's High School and attended Merrimack College. She is presently employed as a secretary at Raytheon in Andover.

Mr. Page was graduated from Visitation High School and Meinzinger's Art School, Detroit, Mich. He is employed by Hurd and Darby, Inc. of Detroit as a technical illustrator, presently under contract with Raytheon in Andover.

The bride-elect has been entertained at several pre-nuptial events. A miscellaneous shower was held at the home of Mrs. Aime Reming, with Mrs. Ronald Mountain as co-hostess.

Mrs. Thomas Mack of Lawrence was hostess at a miscellaneous shower, with Mrs. Thomas Keller of Lowell as co-hostess.

Miss Catherine Coyle, Mrs. Joseph Coyle and Mrs. William Coyle were hostesses at a party held at the St. Clare House, where the bride-elect was presented with a purse.

AT SCIENCE PARK

Mrs. Philip K. Allen, 1 Highland rd., was among a group of 50 Museum of Science Service League members recently given a behind-the-scenes glimpse at Science Park during a special program inaugurating the League's second year.

Highlight of the morning program was a how-it-works demonstration of the amazing Korkosz projector in the Hayden Planetarium. Later, the group saw some of the dramatic techniques the Education Department uses to put excitement and enjoyment into science-learning.

Obituaries...

MRS. WILLIAM R. HILL

Mrs. Erma M. (Lary) Hill, 64, 23 Central st., wife of W. Rodney Hill, died Saturday evening, Oct. 1, at Lawrence General Hospital, following a short illness.

Born in Berlin, N. H., she was a resident of Andover for 33 years. Mrs. Hill was a graduate of West-

brook Seminary, Portland, Me., and of the University of New Hampshire, class of 1918. She was an active member of Christ Episcopal Church, and the Andover Historical Society.

Besides her husband, she leaves a daughter, Christine, wife of Addison L. Winship of Hanover, N.H., a son, John Dana Hill of North Andover; also six grandchildren. The funeral was held Tuesday,

with services at 11 a.m. in Christ Episcopal Church. The Rev. J. Edison Pike, rector, officiated. Cremation took place in Harmony Grove, Salem.

MRS. MYRA H. SMITH

Mrs. Myra H. (Church) Smith, widow of James L. Smith, 12 Vine st., died Friday morning, Sept. 30, at the Lombardi Nursing Home after a long illness. She was 84.

Mrs. Smith was a longtime resident of Andover and very active in civic, social and church life in Greater Lawrence.

Mrs. Smith retired in January 1947, as executive secretary of the Family Service Association of Greater Lawrence, after being connected with the organization since 1909. She was a volunteer worker for what was then known as the Lawrence City Mission, and her interest in the endeavor grew until she decided to attend the school of social services at Simmons College.

In 1913, she resumed her duties as a missionary here and continued in that capacity until 1920 when she was chosen executive secretary, the fifth to serve the group in that capacity since its establishment in 1852.

Born in Lawrence, she attended the public schools there, and after moving to Andover, she was graduated from Pynchard High School. She later attended Lowell Normal School, Hyannis Normal School and Boston University and became a teacher of mathematics in Wayland High School until she returned to Lawrence in 1909.

She organized the Red Cross Home Service unit in Lawrence during World War I and she also was a Red Cross field worker in Essex County. For two years, she was assistant to the local agent of the Massachusetts Society for the Prevention of Cruelty to Children.

Long recognized as one of the leading social workers in Massachusetts, Mrs. Smith was for years closely associated with conditions in Lawrence and surrounding towns, where her work took her into contact with mill officials, professional and business men. She developed welfare work among the city's poor, catering to thousands in this connection, relieving distress without bias as to race or creed.

She was active in the Massachusetts Conference of Social Workers, the Andover Historical Society and the Andover League of Women Voters.

Mrs. Smith is survived by one stepdaughter, Mrs. Elizabeth Smith Ryan of Los Angeles, Cal.; one sister, Mrs. Edward H. MacKay of Clinton; one niece, Mrs. Samuel P. Horne of Haverhill, and a nephew, Edward H. MacKay of San Francisco.

Memorial services will be held at a later date.

HAROLD N. MANTHORNE

Harold N. Manthorne, husband of Mary F. (Blankenhorn) Manthorne, of Old Range rd., Windham, N. H., formerly of Andover, died Friday morning, Sept. 30, at Lawrence General Hospital. He

was 64.

Mr. Manthorne was an employee of the Raytheon Manufacturing Company in Shawsheen as an inspector. He was a member of St. Matthews lodge, A.F. and A.M. of Andover, of the Wilbur E. Tarbell Post, American Legion in Windham, N. H. He was a veteran of service in World War II as a member of the United States Army, attaining the rank of captain.

Besides his wife, he is survived by two daughters, Doris, wife of Robert Bock of Chicago, Ill.; Mary M., wife of Joseph O'Brien of Andover; a sister, Mrs. Mabel Watt, of West Rosbury, and several grandchildren.

Services were held Monday afternoon at the Lundgren Funeral Home. Interment was in Spring Grove Cemetery.

MRS. CATHERINE FLOYD

Mrs. Catherine (O'Sullivan) Floyd, 22 Laurel ln., died at the Lawrence General Hospital about 7 a.m. Thursday, Sept. 29, after a short illness.

A native of Ireland, she lived with a son in Andover for the past 15 years. She attended St. Augustine's Church.

Surviving are two sons, William F. Floyd of Andover and Henry C. Floyd of Lawrence; two grandchildren and six great-grandchildren; also two brothers in Ireland.

The funeral was held from the Lane Funeral Home, Saturday, Oct. 1, with a high Mass of requiem in St. Augustine's Church at 9 a.m. Burial was in Spring Grove Cemetery.

Open House On 25th Anniversary

Open House was held last Saturday from 2 until 5 o'clock, in honor of Mr. and Mrs. Richard Williams, who celebrated their 25th Silver Wedding Anniversary at their home on Lowell st.

Mr. and Mrs. Williams were married in Brookline Aug. 30, 1935. They have two daughters, Mrs. R. L. Smith, who is a teacher in the Andover schools and Miss Edith Williams of Boston. The couple received a gift of money from their friends and other gifts including flowers.

Those who attended were Mr. and Mrs. Leverett Putnam and Mary, Mrs. William Baxter, Mrs. John Duguid, Mr. and Mrs. Oscar Vaughan, Mr. and Mrs. Charles Smyth, Mr. and Mrs. W. S. Titcomb, Mr. and Mrs. Karl Haartz, Mrs. Lena Strain, Mr. and Mrs. Alex Henderson, Mr. and Mrs. Arthur Lewis, Mr. and Mrs. Robert Kennedy and their families of Saugus, and Mrs. Ruth Purcell of Somerville.

MRS. FRANCIS A. NELLIGAN JR.

NELLIGAN - McGUIRE

Of interest locally was the wedding Saturday, Oct. 1, that took place in St. Mary's Star of the Sea Church in New London, Conn., when Miss Barbara C. McGuire, daughter of Mr. and Mrs. Paul R. McGuire, 36 Rosemary st., New London, became the bride of Francis A. Nelligan Jr., son of Mr. and Mrs. Frank Nelligan, 49 Carmel rd.

The Rev. Robert Cronin officiated at the 10 o'clock ceremony. The altar was banked with arrangements of white chrysanthemums.

Escorted by her father, the bride wore a white gown of Italian silk taffeta. A lencon lace formed the portrait neckline. The gown was fashioned with elbow-length sleeves and a dome shaped skirt that terminated in a chapel length train. Her illusion veil was caught to a pearl Juliette cap and she carried a white Missal marked with stephanotis and an orchid.

As maid of honor for her sister, Miss Marion McGuire wore an olive green silk organza dress fashioned with a scoop neckline and a gold cummerbund caught in a full back bow that extended to the hemline of the tucked skirt. She carried a bouquet of yellow chrysanthemums and bronze pom-poms.

The bridesmaids were Miss Dorothy McGuire, sister of the bride, and Kathleen Nelligan, the bridegroom's sister. Another sister of the bride, Miss Edith McGuire, served as junior bridesmaid.

They wore similar gowns in beige with green accessories. The junior attendant wore a tangerine gown with green accessories.

Mark C. Anderson was the best man. The ushers' duties were performed by Brian C. Grant of Hamden, Me., William R. Congo of Norwood and U. S. Navy Ensign Daniel W. Murphy of Washington, D. C.

A reception was held at the Morison House in Niantic, Conn. After a

wedding trip to the Poconos Mountains, Pa., and Virginia, the couple will make their home in Salem, N. H.

The bride is a graduate of Medina High School, Ohio, and Forsyth School for Dental Hygienists, Boston.

Mr. Nelligan was graduated from Punchard High School and Tufts University. He was a member of Phi Sigma fraternity.

DAVEY - MILES

Miss Phyllis Mary Miles, daughter of Mr. and Mrs. Ernest Westbrook, 167 North Main st. and Bernard Augustine Davey, son of Mr. and Mrs. Joseph Davey, 18 Brook st., exchanged marriage vows this month at a 2 o'clock ceremony in St. Augustine's Church, Andover.

The Rev. James A. Wenzel, O.S.A., officiated.

The bride, who was escorted to the altar by her grandfather, William Cargill Jr., wore a white, satin gown featuring a V neckline of English lace and a bouffant skirt that terminated in a chapel train. Her fingertip veil of illusion was caught to a matching white bridal headpiece.

Jane Hall was the maid of honor and the bridesmaids included Miss Deanna Hudgins and Miss Elizabeth Heinz, both of Andover.

The attendants were dressed in green princess style dresses with scoop necklines. They wore matching accessories.

WILL EVALUATE HIGH SCHOOL

(Continued from Page One)

England Association of Colleges and Secondary Schools.

The Association voted in 1958 to act as an accrediting agency for its member schools. There has been need for such an agency since the New England College Entrance Certificate Board ceased to function some years ago. The five other Associations of Colleges and Secondary Schools, covering the remaining states have been serving as accrediting agencies for many years.

Pupils applying for admission to colleges outside of New England where their schools are not known by those colleges, are at a disadvantage if there is no accrediting agency in this area. Pupils of Andover High School are fortunate to attend a school which does belong to New England Association

of Colleges and Secondary Schools.

Evaluation in its best sense is the process by which individuals and institutions grow. Evaluation under the Evaluative Criteria as set up by the combined Associations of Colleges and Secondary Schools, is as effective in pointing out what is being done well as in pointing out what can be done better. The program is not directed toward individuals but rather toward such things as the establishment of the objectives of a school, stated in the form of a philosophy of Education. Teachers write or revise courses of study so that the instruction given may achieve the goals which have been stated for the school. This is probably the most valuable part of the process and takes several months to complete.

Each aspect of the school is considered - the extent to which facilities are used, the extra classroom activities, planning and direction, administrative procedures, success of graduates, the guidance services, and the adequacy of the support given.

Nov. 16, 17 and 18, a visiting committee of about 16 persons, appointed by the State Director of the Evaluation program, Clarence I. Chatto, will come to Andover to visit the High School. They will work under an experienced chairman and will make to the faculty and to the Andover School Committee, a report consisting of commendations and recommendations. At the end of two years a report is to be filed with the New England Association showing the extent to which recommendations have been carried out.

WOMAN'S UNION MET YESTERDAY

The regular meeting of the Woman's Union of the West Church was held yesterday afternoon in the Church Auditorium. The business meeting was in charge of the Leader, Mrs. Arthur Lewis and the Social hour was in charge of Mrs. Joseph Carruthers. Mrs. Howard Andrews, received the thrilling book entitled "Great Women of the Christian Faith".

Troop 112 Elected Patrol Leaders

Girl Scout Troop 112 met at South Church Tuesday, with 18 members on hand. The Troop was divided into three patrols and the following leaders were elected:

Patrol One - Katherine Burt, leader, Catherine Fitzgerald, assistant.

Patrol Two - Lynn Sabbagh, leader and Holly Washburn, assistant.

Patrol Three - Patty Bayliss, leader; Maureen Carlson, assistant.

Susan Sanborn is the Troop scribe and the treasurer is Barbara Sorrie.

The next meeting of the Troop is Oct. 11, after school, at the South Church.

Procedure Set On Applications

Robert W. Sides, director of admissions, has announced the procedure for boys in the greater Lawrence and Andover area for application for admission to Phillips Academy as day student for the academic year 1961-62.

All candidates will be required to write the Secondary School Admission Tests in the Educational Testing Service which will be given in Andover (as well as throughout the United States) Saturday morning, Dec. 10. Applications for the tests must reach the Educational Testing Service before Nov. 26 on a form to be supplied by the Academy's Admission Office. Day student candidates must, therefore, make application to the Academy before Thanksgiving. Appointments may be made by phoning the Academy. Interviews should be completed by Dec. 1.

Admission is granted each year to a limited number of qualified day students from the Greater Lawrence area. Selection is competitive and is based on character, personality, breadth of interest, academic achievement and promise as measured by the candidate's academic and general record. In addition, a personal interview and the results of the Secondary School Admission Tests are important. Scholarships, based on need, are available for successful candidates.

All inquiries should be addressed to the Admissions Office, Phillips Academy.

MANY RECOGNIZED UNIDENTIFIED PHOTOS

(Continued from Page One)

Mrs. Eaton died in 1941 and Louisa lives now at 114 Chestnut st. with her sister, Helen.

The Eaton's home was at 87 Bartlet st. in 1901 when the photographs were taken - and Allen Pettie lived next door.

Mr. Eaton, who taught at Phillips Academy for 50 years, took the photo of his son and Allen, whose father was registrar at Phillips Academy.

Miss Helen Eaton provided much of the information about the photographs.

The Townsman also received a note from C. Carleton Kimball of School st., who identified the young man. Calls were received from Mrs. John C. Angus, Agnes Deyermund, Mrs. Sarah Lewis, Fred Cheever, Mrs. Allan Gillingham and Mrs. Mary C. Edmonds.

All identified the photo correctly.

The brief story accompanying last week's photographs indicated that the young man might have resided in West Andover, based on the fact that the photos were eventually discovered in that section of the town. In addition to those mentioned, a number of other Townsman readers commented on the pictures and identified the persons in them during conversations with Townsman personnel.

Hooson Named Scoutmaster

Two former Eagle Scouts have assumed the leadership of Troop 77 in West Parish at the opening of scouting activities.

Robert W. Hooson, the new scoutmaster, is a native of New Jersey, married and is the father of three children. Most recently he was associated with an Explorer post overseas.

David Getlin, who comes from Syracuse, is married, has two children, and will join Lester F. Dixon Jr. as assistant scoutmaster. Harold E. McGrath will

again serve as troop committee chairman. David W. Shearston, the scoutmaster for the past three years, has been most helpful in effecting a smooth change over.

Troop 77 will hold its fall camporee at the Curtis wood lot next Friday, Saturday and Sunday. The area is owned by the Andover Village Improvement Society which, through Albert R. Retelle, has afforded troop 77 the opportunity for the second time to receive instruction in conservation and forestry, besides the regular scout craft and camp craft activities.

PERSONAL

Dr. and Mrs. Arthur Hartwig of San Francisco, Cal., were recent guests at the home of Mrs. Helen Dick of High Plain rd.

Janice Norris Elected By Troop

The Cheskamay group of Camp Fire Girls held its first meeting of the fall season at the home of the guardian, Mrs. Robert Mears of Andover st., Ballardvale, Sept. 27. The girls were presented with their Golden Jubilee Charms, which they earned by forming a new Blue Bird group at the South School.

Brenda Johnson, a former member of Mrs. Prodan's group in Shawsheen, was welcomed to this group.

At a short business meeting the following officers were elected to serve for four months: president, Janice Norris; vice president,

Cynthia Orlando; secretary, Debrah Maher; treasurer, Karen Mears; and social chairman, Gwen Batchelder.

Following the election of officers, the girls worked on felt banners bearing the Camp Fire symbol and WOHELO, the watchword of the Camp Fire Girls.

The next meeting will be held at the home of Mrs. Robert Maher, assistant guardian.

Those attending were Janice Norris, Karen Mears, Cynthia Orlando, Jo-Ann Batchelder, Catherine Steele, Nancy Haggerty, Debrah Maher, Gwen Batchelder, Lynda Johnson, Brenda Johnson, Mrs. Robert Maher and Mrs. Robert Mears.

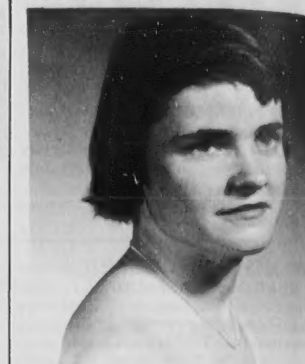

Dimlich Will Not Get Jury Trial

Benjamin F. Dimlich's case against the School Committee will not be heard by a jury, according to a decision rendered by Superior Court Justice George E. Thompson.

Mr. Dimlich, through his attorney, had asked the court to rule that four questions relating to his tenure be submitted to a jury. Town Counsel Fredric S. O'Brien had argued that this type of suit is not legally heard by a jury.

A hearing on the Dimlich suit will be held at a later time.

On Editorial Board Of Law Review

MISS NANCY E. EASTHAM

Miss Nancy Elizabeth Eastham, 16 Alden rd., now in her second year at the Harvard Law School, has been selected to membership on the Editorial Board of the Harvard Law Review, the first university law school journal of its kind. Of more than 1,500 students in the Law School, invitations to the Editorial Board are extended only to the top 25 members of the second-year class and to the third-year students of highest academic standing.

The Law Review is entirely student controlled and edited, offering its editors an unusual opportunity for training in legal research and writing. It is organized to deal with every important aspect of the law and includes leading articles by outstanding scholars in the profession, criticism of pertinent current literature, and the results of student research and analysis of important current developments in decisional law or in legislation.

Miss Eastham received the A.B. degree magna cum laude from Mount Holyoke in 1959. While at Mount Holyoke, she was a Sarah Williston Scholar, the winner of two Sarah Williston Prizes, the winner of the Bernice Maclean Zoology Award, and a member of Phi Beta Kappa.

South School PTA Meeting

The first meeting of the South School PTA will be held this evening at 6:45 p.m. at the school on Woburn st.

This opening session will feature a pot luck supper to which all parents and teachers are invited. Mrs. Alexander Robins, Program chairman, wishes to emphasize that membership in the PTA is not a requisite for attendance. The supper will provide an excellent opportunity for teachers and parents to become acquainted, to welcome newcomers, and to renew past acquaintances. Details concerning the supper were contained in a bulletin given to each student earlier in the week.

Following the supper a short business session will be held, at which South School PTA President Wendell Hopkins will outline PTA plans for the coming school year. The PTA will feature shorter business sessions and more parent-teacher contact in their programs this year.

A proposed amendment to the bylaws will be presented which would change the meeting date from the first Thursday to the second Wednesday of each school month except September, January, and June. Changing the meeting day from Thursday to Wednesday will allow the teachers greater preparation time for the increased emphasis on parent-teacher contact since Wednesday is a half-day session.

The second Wednesday meeting day would bring the South School PTA in line with the Central and Shawsheen PTA meeting days, thus allowing for coordinated PTA activity on occasions which would be mutually beneficial.

Lionel Goulet, principal of South School, urges all parents to attend this first session in order to hear plans for the coming year.

Miss Linda Johanson, daughter of Mr. and Mrs. Edgar E. H. Johanson of Lincoln st., is enrolled at Hood College in Frederick, Md. She is a graduate of Andover High School.

Saltonstall Spoke Here Yesterday

U. S. Senator Leverett Saltonstall last night warned that "two of America's greatest internal dangers are complacency and over-indulgence."

"And the opposite extreme to complacency is equally bad," said Saltonstall. "Across-the-board critics who portray the United States in terms of gloomy despair, the lavish apostles of self-doubt, do great disservice to the national security."

Saltonstall spoke on "The National Purpose" at the Andover Country Club at a combined outing of the Greater Lawrence Chamber of Commerce, Junior Chamber of Commerce, Lawrence Rotary Club, Kiwanis Club, Exchange Club, Young Men's Club, Lions Club, Methuen Lions Club and Andover Lions Club. The evening meeting was Saltonstall's 10th appearance in a crowded Wednesday schedule covering Andover, North Andover, Lawrence and Methuen.

"Two great advantages which the Communist bloc has in its worldwide struggle against freedom and democracy is its fanatic dedication and lean existence," Saltonstall said. "We must guard against America's unprecedented prosperity undercutting the national will; we must collectively resolve to utilize our great wealth to sustain freedom and justice."

The Bay State Senator urged "each citizen to take up the task of democracy with vigor and conviction — in the way he works at his job, treats his fellow beings, in the way he conducts his life. America must not become conditioned," he said, "to looking at government as the source of initiative for getting things done."
